

## **New Student Scholarship Award Qualifications**

*This is a need-based scholarship. Below are details to help you decide if you would qualify. This scholarship will be awarded for the first quarter of study in the form of a tuition discount based upon your financial need.*

1. The prospective student must turn in the required application forms.
2. In the “Application for Admissions Form” the student must clearly state that he or she has received Jesus Christ as his or her personal Savior, and indicate a desire for “Biblical Studies and Ministry Development.”
3. The applicant must be faithfully participating in a local assembly of believers and must be active in the life and ministry of that church.
4. The Pastoral Recommendation (this form is included in the “Application for Admissions” packet) will be especially considered in determining the student’s seriousness in pursuing “Biblical Studies and Ministry Development.”
5. A husband and wife will not both be eligible for scholarship help. However, there is a tuition discount available when both husband and wife are full time students.
6. The New Student Scholarship is offered in addition to other tuition discounts for which the student may qualify; e.g., ministry discount, ministerial dependent discount, husband & wife discount, etc.
7. The New Student Tuition Scholarship will be awarded in the form of a significant tuition discount at the beginning of the quarter. However, it will only be applied to the student’s account at the successful completion of the first quarter of study. The student will need to earn a GPA of 3.0 for the Tuition Scholarship Discount to be applied.
8. New Student Tuition Scholarships are only for full time students (12+ credits).
9. If the student drops out before completing the quarter, he/she will be responsible for all tuition charges. Tuition refunds are prorated by the number of weeks the student has attended classes, as defined in the catalog.
10. Students applying for the New Student Scholarship will submit the attached application form.
11. With the application form, the student will write a 1-2 page paper for review by the scholarship awards committee addressing the following issues:
  - Introduce yourself.
  - Share your current involvement in church life and ministry.
  - Explain your present financial need.
12. Attach the 1-2 page paper to the “New Student Scholarship Application Form.”
